# "A CLOSE UP LOOK" AT LOCAL BUSINESSES™

## Hospice Caring, Inc. *Holding Hands and Healing Hearts*

Hospice Caring, Inc. located at 518 S. Frederick Ave. in Gaithersburg, phone 301-869-HOPE (4673) is truly a different kind of hospice. Founded in 1989, **Hospice Caring, Inc.** provides compassionate, practical, non-medical support services to Montgomery County adults and children who are facing a life-threatening illness or grieving the death of a loved one. All of **Hospice Caring's** services are provided without charge. **Hospice Caring Inc.** is a registered 501 (c) (3) non profit. They have many unique programs designed with the patient

in mind.

The Children's bereavement programs include the Good Grief Club, an in-school program K-12 in partnership with MCPS facilitated by a trained **Hospice Caring** volunteer and a school guidance counselor. Camp Caring, celebrating its 10th anniversary, is an annual weekend bereavement camp for children, ages 8-12, who have lost a loved one. Camp Caring is also provided without charge and children may be referred by parents, guardians, or school counselors. The newest service, Grief Relief is an after-school family

program to support parents/guardians and younger children.

All **Hospice Caring** program services are provided at no charge and trained volunteers provide compassionate care and facilitate the bereavement programs. There are numerous ways to help. Volunteers are welcomed to check for training schedules, and to join in any or all of **Hospice Caring's** programs. Please visit [www.hospicecaring.org](http://www.hospicecaring.org) for all current volunteer and donation opportunities.

## Global Comfort Heating & Air Conditioning

Recent energy awareness has aroused considerable interest among area homeowners in the field of energy-saving cooling and heating products. Today's equipment is not only efficient, but technological advances have greatly improved the comfort and dependability of heating and cooling systems. Two stage furnaces and air conditioners that heat and cool more evenly, variable speed blowers that are extremely quiet, and zoning systems for better temperature control are now

widely used. We suggest to the people of this area who have cooling or heating problems that you let the experts at **Global Comfort Heating & Air Conditioning**, phone 301-253-2201, handle the job. Their commitment is to provide their customers with excellent value and workmanship. They will install a Carrier, Amana or Goodman system that is efficient, reliable, and easy to operate. In addition, they take great care to keep your home clean while they are working there. Their sales department will take

the time to answer your questions and recommend a system perfect for your particular space and requirements. With natural gas costs rising, it's a good idea to have your system inspected & cleaned to increase efficiency. Should service be necessary or for more information call **Global Comfort Heating & Air Conditioning** at 301-253-2201.
